HEADING TOWARD RETIREMENT?
CATCH UP ON YOUR SAVINGS NOW.
A great retirement takes some planning.

No matter how old you are – or how much you’ve saved – these strategies can help you get to where you want to be.

1. **Know your needs.** Start by figuring out how much you spend each month on essentials.

2. **Max out your 401(k).** If you have a 401(k) or similar retirement plan through work, contribute all you can.

3. **Pay off your credit cards.** Credit cards and high-interest loans can dig you deeper into debt. So tighten your belt and pay them off if you can.

4. **Don’t lose it.** Avoid borrowing from your retirement savings. If you change jobs, consider rolling your savings into another qualified plan.

5. **Make your money work harder.** Allstate offers retirement solutions with tax advantages, principal protection, lifetime income guarantees and more.
